Company Profile

Foshan Baifumei Plastic Company Ltd is an enterprise focusing on R&D, production and manufacture of plastic containers and plastic lunch boxes.

The company focuses on the development and research of new products, actively introduces technology and equipment to our production, producing multiple specifications of plastic products. The company is committed to creating high-quality, food-safe, and food-grade products, establishing a high-quality market position, and our products are exported to domestic and overseas markets.

We will be dedicated to introducing more outstanding talents, strengthening the development of superior products, improving production technology, adhering to our mission: scientific and technological innovation, quality is key, and enhance brand culture. We will provide both existing and future customers with reliable products and excellent services, promote the holistic development of the enterprise and achieve greater success.

OFFICE AND WORKSHOP

Product Features

Temperature range -20°C ~ 120°C

Freezer safe
Microwave safe

Good flexibility feature

Thick design
Pressure resistance

Food-grade material

BPA free
Eco-friendly

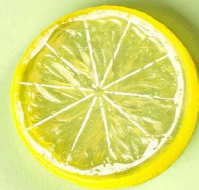

Sealing performance

Not easy to leak
Keep liquid from spilling out

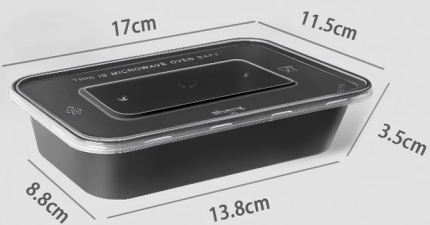

Strict quality control

Smooth edge
Safe and comfortable
